MEMORANDUM FOR: Office of Central Reference
ATTENTION: Chief, Liaison Division
FROM: Deputy Assistant Director for Basic Intelligence
SUBJECT: Dissemination of NIS to Defense Establishments
and the Operations Coordinating Board
REFERENCE: (a) IAC-D-45/12.17, 27 February 1956 (Revised)
(b) IAC-D-45/12, Revision 6 of Part II, 12 March 1956

1. Referenced IAC Directives authorize dissemination of NIS to all Department of Defense components and to the Operations Coordinating Board in accordance with their requirements without further reference of their requests to the NIS Committee.

2. Several Department of Defense components and the Operations Coordinating Board have established requirements for certain NIS elements on a continuing basis as set forth in Part II of IAC-D-45/12 (Revision 5) which has now been superseded by reference (b). In view of the change in dissemination procedures outlined in paragraph 1, these requirements have been dropped in reference (b). However, OBI will continue to indicate dissemination to meet these requirements in the dissemination notification sent to OCR for each NIS element as it is published. Any additional requirements for NIS on a continuing basis, or any modification of present requirements, should be referred to OBI in order that necessary changes may be made in the NIS dissemination control chart.

3. Requests for individual NIS elements on an ad hoc basis may be fulfilled by OCR without reference to this Office. However, it is requested that OBI be informed of the NIS furnished to the Defense establishment and OCB in response to such requests.
